

The Kiss

The kiss is just after the Pronouncement of Marriage.

The Kiss

You may kiss.

Grm, you may kiss your Bride.

Bde, you may kiss your Groom.

Please seal your covenant with a kiss.

Please seal your promise with a kiss.

Please seal your vows with a kiss.

Please seal your marriage with a kiss.

Please start your marriage off with a kiss.

Congratulations! Please share your first kiss as husband and wife.

May the vows you have both professed be sealed with a kiss of everlasting love.

As kisses are messengers of love, please kiss now and let soul meet soul on each other's lips.

Second Marriage

Bde and Grm, you may now embarrass your children by kissing.
