### **Welcome**

We gather here today to witness and to celebrate the wedding of Bde and Grm. Their devotion, respect, and love for each other has flowered into their wish to unite in marriage, and to dedicate themselves to each other's happiness and well being.

On behalf of Bde and Grm, I welcome each of you. Although this is their day, it is also a tribute to all of you. For knowing you and interacting with you has helped to make Bde and Grm who they are today. All of you are the threads of which are the woven tapestry of their lives.

Each one of you is an important piece of their story. It is the fabric that they wrap around themselves and take comfort in when the world seems cold. And on days like today when everything is right in the world, that tapestry is proudly spread out and displayed for everyone to see, with all the glorious colors and textures that your diversity adds. You all hold a place in their hearts reserved for those that they have chosen to call family and friends and they are deeply grateful for each and every one of you here today.
